

# ENVIROALERT® ACCESSORY

EA-WMFS  
Shown with Temp-H-S Probe  
(probe sold separately)

## WIRELESS MULTI-FUNCTION SENSOR

Model Number: EA-WMFS  
Part Number: M-001-0127

### Accessory for:

EnviroAlert EA800  
EnviroAlert EA800-ip

### Specifications:

Sensing Range:	Remote sensor dependent - requires remote sensor for operation.
Power Requirements:	2 - AA Alkaline Batteries or 12 VDC @ <=100mA
Unit Operating Range:	32° to 122° F (0° to 50° C) Non-condensing environment.
Battery Life:	Up to 4 years
Frequency:	2.405 GHz - 2.480 GHz, 16 channels. See owners manual for more information.
Transmission Distance:	1,000' (304.8 m) line-of-sight
Weight:	0.25 lb (0.11 kg)
Dimensions:	3.67 x 2.65 x 1.17" (9.3 x 6.7 x 2.9 cm)
Mounting:	Surface mount

Excellent use for wireless monitoring of coolers/freezers with use of a probe.  
Maximum cable run: 1,000' (304.8 m) [22 AWG twisted pair]

### Requires probe for operation. Accepted Probes:

Detection	Model Number	Part Number	Range
Temp Ultra Low (White)	TEMP-UL-S	M-001-0111	-112° to 32° F
Temp High (Red) Stainless Steel	TEMP-H-S	M-001-0081	32° to 299° F
Temp High (Red) Waterproof	TEMP-H-W	M-001-0087	32° to 221° F
Temp Low (Blue) Stainless Steel	TEMP-L-S	M-001-0082	-58° to 158° F
Temp Low (Blue) Waterproof	TEMP-L-W	M-001-0086	-58° to 158° F
Water Surface Sensor (supervised)	W-S-S	M-001-0094	
Water Under Carpet (supervised)	W-UC-S	M-001-0009	
PS-110 Power Out Alert	PS-110	M-001-0076	
N.O./N.C. devices
