**PROXY STATEMENT
for
Annual Meeting of Shareholders
To Be Held on June 24, 2015**

SUMMARY

This summary highlights selected information from this Proxy Statement and may not contain all of the information that is important to you. To better understand the proposal to be voted on at the Annual Meeting, you should carefully read this entire Proxy Statement.

When and Where is the Annual Meeting?

The Annual Meeting of Shareholders (the “Annual Meeting”) of Winland Electronics, Inc. (“Winland” or the “Company”) will be held on June 24, 2015, at 9:30 a.m. CDT, at Fredrikson & Byron P.A., 200 South Sixth Street, Suite 4000, Minneapolis, Minnesota 55402.

What Will Be Voted on at the Annual Meeting?

Shareholders will vote on the following matters:

Proposal 1 – To elect the five (5) directors named in this Proxy Statement for a term ending on the date of the next Annual Meeting; and

Proposal 2 – To fix the size of the Winland Board of Directors at five (5) directors.

Proposal 3 – To ratify the appointment of Baker Tilly Virchow Krause, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2015.

In addition, the shareholders will consider such other business as may properly come before the meeting or any postponement or adjournment thereof.

What is the Board of Directors Recommendation Regarding Voting?

The Board of Directors believes that approval of these proposals is in the best interests of Winland and its shareholders, and recommends that shareholders vote “**FOR**” the election of each director, “**FOR**” the proposal to fix the size of the Board of Directors at five (5) directors and “**FOR**” the ratification of the appointment of Baker Tilly Virchow Krause, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2015.

What Shareholder Vote is Required to Approve the Proposals to Be Voted on at the Meeting?

Approval of the proposal to fix the size of the Board of Directors at five (5) directors requires the affirmative vote of holders of a majority of the voting power of the shares present, in person or by proxy, and entitled to vote at the Annual Meeting. The election of each named director nominee requires the affirmative vote of holders of a plurality of the voting power of the shares present, in person or by proxy, and entitled to vote at the Annual Meeting.

The affirmative vote of the holders of a majority of the voting power of the shares present, in person or by proxy, and entitled to vote at the meeting is required to ratify the appointment of Baker Tilly Virchow Krause, LLP, an independent registered public accounting firm, as the Company's independent registered public accountants for the fiscal year ending December 31, 2015.

What is the Effect of Withhold Votes and Abstentions?

You may either vote "**FOR**" or "**WITHHOLD**" authority to vote for each nominee to the Board of Directors. If you "**WITHHOLD**" authority to vote on any or all nominees, your vote will be deemed present but will not be deemed to have voted in favor of the nominee. You may vote "**FOR**," "**AGAINST**," or "**ABSTAIN**" on the proposal to fix the size of the Board of Directors at five (5) directors and on the proposal to ratify the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015. If you "**ABSTAIN**" from voting, your shares will be deemed present but will not be deemed to have voted in favor of the proposal, and it therefore has the same effect as a vote against the proposal. If you are a record holder and you fail to return your proxy card or otherwise vote, your shares will not be deemed present at the meeting and will have no effect on the outcome of the proposals.

What is the Effect of Broker Non-Votes?

Generally, a "broker non-vote" occurs if you hold your shares in street name, meaning that your shares are held in the name of a broker, bank, trust or other nominee as custodian, and you do not return a voting instruction form to your broker. If the broker has discretionary authority to vote on certain proposals, the broker may do so and the shares are deemed present at the meeting for purposes of a quorum. A "broker non-vote" results for those other proposals where discretionary authority is *not* available, and such "broker non-vote" does not have any effect on the outcome of the proposals.

Brokers will not have discretionary authority to vote on either the proposal to fix the size of the Board of Directors at five (5) directors or on the election of directors, but will have discretionary authority to vote on the proposal to ratify the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015. As a result, there may be broker non-votes for the proposal to fix the size of the Board of Directors at five (5) directors or for the election of directors, but such broker

non-votes will not be deemed present at the Annual Meeting for purposes of such proposals and will not have any effect on the outcome of the proposals.

Who is Entitled to Vote?

Only shareholders of record at the close of business on May 11, 2015 (the “Record Date”), are entitled to receive notice of and to vote at the Annual Meeting.

How Do I Vote?

If you are a record holder, you may vote in any of the following ways:

- ***Voting by Internet:*** You can vote at www.investorvote.com/WELX, 24 hours a day, seven days a week. You will need the 12-Digit Control Number included on your proxy card.
- ***Voting by Telephone:*** You can vote using touch-tone telephone by calling 1-800-652-8683, 24 hours a day, seven days a week. You will need the 12-digit control number included on your proxy card.
- ***Voting by Mail:*** You may complete, sign and return by mail the proxy card sent to you together with the printed copies of the proxy materials. The proxy card should be mailed to *PROXY SERVICES, C/O COMPUTERSHARE INVESTOR SERVICES, PO BOX 43102, PROVIDENCE RI 02940-5068.*
- ***Voting in person at the Annual Meeting:*** You should complete and sign the enclosed proxy card and bring it to the Annual Meeting.

If you hold your shares in street name, meaning that your shares are held in the name of a broker, bank, trust or other nominee as custodian, you may vote by completing the voting instruction form provided to you by your broker or nominee. You may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker or nominee.

What is a Proxy?

A proxy is your legal designation of another person or persons (the “Proxy Agent”) to vote on your behalf. By completing and returning the enclosed proxy card, you are giving Brian Lawrence, the Proxy Agent, the authority to vote your shares of common stock at the Annual Meeting in the manner you indicate on your proxy card. If you return a signed proxy card but do not give direction with respect to any nominee or other proposal, the Proxy Agent will vote your shares as recommended by the Board of Directors.

May I Change My Vote After I Have Submitted My Proxy?

Yes. If you are a record holder, to change your vote you can do any of the following:

- Sending a written notice of revocation dated after the date of the proxy to Winland;

- Execute and deliver to us a subsequently dated proxy.
- Attend the Annual Meeting, give oral notice of your intention to vote in person, and submit a proxy card or ballot at the Annual Meeting.

You should be aware that simply attending the Annual Meeting will not in and of itself constitute a revocation of your proxy. If you hold your shares in street name, contact your broker to determine how to change your vote.

Who Can Attend the Annual Meeting?

All shareholders of record at the close of business on the Record Date, or their duly appointed proxies, may attend the Annual Meeting. If you hold your shares in street name, you may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker or nominee.

What Constitutes A Quorum?

The presence at the Annual Meeting, in person or by proxy, of a majority of the voting power of shares entitled to vote at the Annual Meeting will constitute a quorum. A quorum is required for business to be conducted at the Annual Meeting. As of the Record Date, 3,789,522 shares of our Common Stock were outstanding and therefore the presence of 1,898,551 shares at the Annual Meeting will constitute a quorum. If you submit a properly executed proxy card, even if you abstain from voting on the proposal to fix the size of the Board and the proposal to ratify the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015 and withhold authority to vote for all directors, then you will be considered part of the quorum. Abstentions and withhold votes will be treated as shares present for purposes of determining the existence of a quorum. If you hold your shares in street name, meaning that your shares are held in the name of a broker, bank, trust or other nominee as custodian, and you do not return a voting instruction form to your broker, your broker will have discretionary authority to vote your shares at the Annual Meeting on the proposal to ratify the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015, and therefore, your shares be deemed present for purposes of a quorum if your broker exercises such discretionary authority.

How Will Voting on any Other Business Be Conducted?

We do not know of business to be conducted at the Annual Meeting other than the matters described in this Proxy Statement and no proposals were received for the Annual Meeting pursuant to applicable provisions of the Company's Bylaws, which are described below. However, if you submit a proxy and any other business is properly presented at the Annual Meeting or any adjournment thereof, your proxy gives authority to the designated Proxy Agent to vote on such matters in their discretion.

Who Will Count the Votes?

At the Annual Meeting, Brian Lawrence, the President of the Company, will appoint an individual or individuals to serve as inspector of election for the Annual Meeting.

What Do I Need to do Now?

First, read this Proxy Statement carefully. Then, as soon as possible, submit your proxy by the internet, telephone or executing and returning the enclosed proxy card, using the accompanying prepaid, addressed envelope. Your shares represented by proxy will be voted in accordance with the instructions you specify on the proxy card. If you submit a signed proxy card without specifying how the shares should be voted, your shares will be voted in accordance with the recommendation of the Board of Directors for the proposals described in this Proxy Statement and in accordance with the judgment of the Proxy Agent, or his duly appointed substitutes acting at the Annual Meeting, on any other business that may properly come before the meeting or any postponement or adjournment thereof.

If you hold your shares in street name, meaning that your shares are held in the name of a broker, bank, trust or other nominee as custodian, you may vote by completing the voting instruction form provided to you by your broker or nominee. You may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker or nominee.

How do I Nominate a Candidate for Election as a Director or Submit a Shareholder Proposal?

Certain provisions of the Company's Bylaws require shareholders who offer nominations or proposals to comply with certain procedural requirements intended to ensure that shareholders have sufficient information to make an informed choice when they cast their ballots and to allow the Board time to address such nominations or proposals prior to the shareholder meeting.

Shareholders wishing to nominate director candidates or raise a shareholder proposal must provide notice to Winland at least 60 days, but not more than 90 days, prior to the anniversary of the previous annual meeting, or, if the annual meeting has been moved more than thirty days from the anniversary of the previous annual meeting, notice must be provided by the later of the date that is ninety days prior to the annual meeting or ten days after the public announcement of the date of the annual meeting. Submission of shareholder proposals and director nominations for the 2015 Annual Meeting are required to be received by Winland by May 21, 2015. Since the 2015 Annual Meeting will be held on June 24, 2015, notice of nominations or proposals for the 2016 Annual Meeting must be received by Winland between March 26, 2016 and April 25, 2016. If not received within that time period, nominations or other proposals from shareholders will not be eligible for consideration at the 2016 Annual Meeting.

YOU SHOULD CAREFULLY READ THIS PROXY STATEMENT IN ITS ENTIRETY.

This Proxy Statement (the “Proxy Statement”) is being provided to you in connection with the solicitation of proxies on behalf of the Board of Directors of Winland Electronics, Inc., a Minnesota corporation, for use in the Annual Meeting of Shareholders (the “Annual Meeting”) to be held on June 24, 2015, at 9:30 a.m. CDT, at Fredrikson & Byron P.A., 200 South Sixth Street, Suite 4000, Minneapolis, Minnesota 55402. In this Proxy Statement, references to “Winland,” the “Company,” “we,” “our,” or “us” refer to Winland Electronics, Inc., unless otherwise noted.

Proxy solicitations will be made by the use of the mails. Solicitations may also be made by telephone by directors, officers or employees of Winland. All costs of soliciting proxies will be borne by Winland.

Please keep in mind that the information contained in and provided in connection with this Proxy Statement should be treated as confidential and should be used only to evaluate the proposals described herein.

Your vote is important to us. Whether or not you plan to attend the Annual Meeting, please promptly complete and sign the enclosed proxy card, and return it by sending a fax or PDF copy to the fax number or e-mail address shown on the proxy card, or by mailing it in the accompanying prepaid, addressed envelope.

Proposals to be Voted On

Shareholders will vote on the following proposals:

Proposal 1 – To elect the five (5) directors named in this Proxy Statement for a term ending on the date of the next Annual Meeting; and

Proposal 2 – To fix the size of the Winland Board of Directors at five (5) directors.

Proposal 3 – To ratify the appointment of Baker Tilly Virchow Krause, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2015.

The Board of Directors recommends that shareholders vote “**FOR**” the election of each director, “**FOR**” the proposal to fix the size of the Board of Directors at five (5) directors and “**FOR**” the ratification of the appointment of Baker Tilly Virchow Krause, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2015.

The Board knows of no other matters that are likely to be brought before the Annual Meeting. If any other matters properly come before the Annual Meeting, however, the persons named in the enclosed proxy, or their duly appointed substitutes acting at the Annual Meeting, will be authorized to vote or otherwise act on those matters in accordance with their judgment. Any action may be taken on any one of the items of business on the date specified above for the Annual Meeting, or on any date or dates to which the Annual Meeting may be adjourned.

Record Date; Shareholders Entitled to Vote; Quorum

Shareholders of record at the close of business on May 11, 2015 (the “Record Date”) are entitled to receive notice of and vote at the Annual Meeting. If you hold your shares in street name, meaning that your shares are held in the name of a broker, bank, trust or other nominee as custodian, you may vote by completing the voting instruction form provided to you by your broker or nominee. You may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker or nominee.

On the Record Date, 3,789,522 shares of common stock were issued and outstanding. For each proposal, holders of common stock as of the Record Date are entitled to one vote for each share held. Shareholders do not have cumulative voting rights with respect to the election of directors or any other matter. Holders of common stock on the Record Date, or their duly appointed proxies, may attend the Annual Meeting.

A majority of the outstanding shares of Winland’s common stock must be represented in person or by proxy at the Annual Meeting in order to transact business at the Annual Meeting. If a share is represented for any purpose at the Annual Meeting, other than for the purpose of objecting to the Annual Meeting or the transacting of business at the Annual Meeting, it will be deemed present for the purpose of determining whether a quorum exists. If less than a quorum is present, shareholders having a majority of the outstanding shares represented at the meeting may adjourn such meeting with the same effect and for all intents and purposes as though a quorum had been present. If the Annual Meeting is adjourned, at any subsequent reconvening of the Annual Meeting all proxies will be voted in the same manner as they would have been voted at the original convening of the meeting, except for any proxies that have been revoked or withdrawn. Consistent with Minnesota law, if the Annual Meeting is adjourned to a different place, date or time, Winland need not give notice of the new place, date or time if the new place, date or time is announced at the meeting before adjournment, unless a new record date is or must be set for the adjourned meeting.

Votes Required for Approval

The election of each named director nominee requires the affirmative vote of holders of a plurality of the voting power of the shares present, in person or by proxy, and entitled to vote at the meeting. Approval of the proposal to fix the size of the Board of Directors at five (5) directors requires the affirmative vote of holders of a majority of the voting power of the shares present, in person or by proxy, and entitled to vote at the meeting. The affirmative vote of the holders of a majority of the voting power of the shares present, in person or by proxy, and entitled to vote at the meeting is required to ratify the appointment of Baker Tilly Virchow Krause, LLP, an independent registered public accounting firm, as the Company’s independent registered public accountants for the fiscal year ending December 31, 2015.

Shares represented by proxies properly signed, dated and returned will be voted at the Annual Meeting in accordance with the instructions set forth therein. If your proxy card is signed and returned without specifying a vote or an abstention with respect to the proposals to be voted

on, your shares will be voted **“FOR”** the proposals and will be voted at the discretion of the Proxy Agent as to any other matters that may properly come before the Annual Meeting.

If you mark **“WITHHOLD”** with respect to the election of one or more director nominees, your shares will be deemed present but will not be deemed to have been voted in favor of such directors(s). If you mark **“ABSTAIN”** on the proposal to fix the size of the Board of Directors at five (5) directors or on the proposal to ratify the appointment of Baker Tilly Virchow Krause, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2015, your shares will be deemed present but will not be deemed to have voted in favor of the proposal, and will therefore have the same effect as a vote against the proposal. If you are a record holder and you fail to return your proxy card or otherwise vote, your shares will not be deemed present at the meeting and will have no effect on the outcome of the proposals. If you hold your shares in street name, meaning that your shares are held in the name of a broker, bank, trust or other nominee as custodian, and you do not return a voting instruction form to your broker, your broker will have discretionary authority to vote your shares at the Annual Meeting on the proposal to ratify the appointment of Baker Tilly Virchow Krause, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2015, and therefore, your shares be deemed present for purposes of a quorum if your broker exercises such discretionary authority.

You may revoke your proxy at any time before it is voted by signing and returning a proxy card bearing a later date, by giving written notice to Winland, or by attending the Annual Meeting and voting in person.

PROPOSALS 1 AND 2

ELECT FIVE (5) DIRECTORS AND FIX THE SIZE OF THE BOARD OF DIRECTORS AT FIVE (5) DIRECTORS

General Information

Winland's Bylaws provide that the number of directors shall be the number set by the shareholders, which shall be not less than one. The Board of Directors currently consists of five (5) directors—Thomas Brady, Lorin Krueger, Thomas Braziel, Matthew Houk and Murray Stahl. The Board of Directors has recommended that the number of directors be fixed at five (5) directors. Each signed proxy that is returned to Winland will be voted “**FOR**” the proposal to fix the size of the Board of Directors at five (5) directors unless the proxy is marked “**AGAINST**” or “**ABSTAIN.**”

If elected, each director will serve for a term ending on the date of the next Annual Meeting and until such time as his successor is elected, or until his earlier death, resignation, disqualification, or removal as provided by statute. Each signed proxy that is returned to Winland will be voted “**FOR**” each of the five (5) nominees named above unless authority to vote for any of them is withheld. Each nominee has consented to being named in this Proxy Statement and to serve, if elected. The Company has no reason to believe that any of the director nominees named in this Proxy Statement will be unable or unwilling to serve as a director if elected. However, in the event any of the nominees withdraws or otherwise becomes unavailable for election, the shares represented by all valid proxies will be voted for the election of a substitute nominee, as may be designated by the Board of Directors, or the Board of Directors may allow a vacancy to exist, in its discretion.
