

Winland Electronics and Proposition 65

Proposition 65, officially known as California’s Safe Drinking Water and Toxic Enforcement Act of 1986, is a consumer right-to-know initiative. More commonly referred to as simply Prop 65, the initiative requires the state to publish a list of substances, updated yearly, that are known to cause cancer, birth defects, or other reproductive harm. Currently, the list includes about 1,000 substances and is maintained by The Office of Environmental Health Hazard Assessment ([OEHHA](#)).

Proposition 65 requires businesses to notify Californians about possible exposure to any of the listed substances in their homes, workplace, or to the environment. By doing this, Californians are better able to make informed decisions about the products they interact with and protect themselves from any possible exposure.

Winland Electronics is committed to providing Californians with information about possible exposures to Prop 65 substances and supporting Californians right-to-know. While we are confident that our products are below accepted Safe Harbor levels for possible exposures, we want to support Californian’s right-to-know and have developed the following list of possible substances related to our products:

Products	Substance(s)	Warning Labels
EnviroAlert Panels WaterBug Panels MTA-1	DIDP DINP Methyl Chloride Styrene	 WARNING: This product can expose you to chemicals including Styrene and DINP, which are known to the State of California to cause cancer, and Methyl Chloride and DIDP, which are known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov .
WaterBug Sensors	Carbon (black) DIDP DINP	 WARNING: This product can expose you to chemicals including Carbon (black) and DINP, which are known to the State of California to cause cancer, and DIDP, which are known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov .
TA-40 & HA-III+	Styrene	 WARNING: This product can expose you to Styrene, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov .
TA-1 & TA-2HL	Lead	 WARNING: This product can expose you to Lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov .
