About Winland Holdings Corporation

Winland Holdings Corporation (the “Company”) is the holding company for Winland Electronics, Inc. (“Winland Electronics”) and Winland Capital Corporation (“Winland Capital Corp.”), both wholly-owned subsidiaries of the Company. Winland Electronics (www.winland.com) is an industry leader in critical condition monitoring devices. Products including EnviroAlert, WaterBug, and TempAlert are designed in-house to monitor critical conditions for industries including health and medical, grocery and food services, commercial and industrial, as well as agriculture and residential. Winland Electronics’ products are compatible with any hardwired or wireless alarm system and are available through distributors worldwide. Winland Electronics offers a critical-environment monitoring solution called INSIGHT, an automated, cloud-based platform that provides early alerting, reporting, and logging services designed to ensure regulatory compliance. Winland Capital Corp. is the holding company for the Company’s investment operations and includes wholly-owned subsidiaries Winland Credit Partners LLC and Winland Capital Management LLC. The Company continues to explore various alternatives to enhance shareholder value that utilize the expertise of management and the Board of Directors. Such alternatives may include establishing new ventures, acquiring existing businesses, and other investment opportunities, including investments in private credit, various rights to payment (including bankruptcy claims), and marketable securities. Headquartered in Mankato, MN, Winland Holdings Corporation trades on the OTC Pink® marketplace under the symbol WELX.
